INFORMATION DISCLOSURE STATEMENT

Sir:

Attached hereto is a copy of an International Search Report dated November 4, 2003, along with Form PTO-1449, and copies of the references listed therein.

Regarding JP 43-2391, JP 63-74155 and JP 62-72662 an English Abstract is not enclosed. A concise explanation of the three references is not required because this non-English citation was cited in a search report by a foreign patent office. In such a situation, the requirement for a concise explanation of relevance is satisfied by submitting an English language version of the search report. Such English language version of the search report is enclosed herewith. (See MPEP, Section 609A(3), pages 600-100 and 600-101, Rev. 1, Feb. 2000). Accordingly, a concise explanation relating to this non-English citation is not required.

This Information Disclosure Statement is being filed prior to issuance of the first Official Action. Therefore, there is no charge for filing this IDS.

Respectfully submitted,

Jordan and Hamburg LLP
